ADDITONAL INFORMATION

A member of European Solidarity Corps. ESC is an official EU platform that provides volunteer jobs for individuals and foundations for projects. Since 2021, first semester I have been working on my European Solidarity Corps volunteering project, Unimpeded Ideathon. Unimpeded Ideation aims to run a successful

idea/project competition to provide a solution for disabled sport enthusiasts' network problem. Still under progress and planning to submit it to European Solidarity Corps by the end of 2022.
